# COMMUNITY OUTREACH

## During the month of June:

On June 10, my staff attended the grand opening of Our Community Multicultural Center in Garden Grove. It was our pleasure to celebrate this day with you.

We commend your dedication and efforts to foster inclusivity, diversity, and cultural exchange within our community.

On June 10, I was honored to join the Orange County Vietnamese-American community and civic leaders in the city of Westminster to celebrate Little Saigon's 35th Anniversary and to recognize the achievements and great contributions of Vietnamese-Americans to our community.

As a Vietnamese-American, I am so proud to celebrate the rich history of this first "Little Saigon" in the nation and the significant cultural impact it has made not only to our local Orange County community, but also to visitors from all over the world.

Congratulations to the Advance Beauty College Class of 2023! It was our pleasure to celebrate this special occasion with your graduates. We wish the school continuous success as they educate and prepare students to become beauty professionals.

# AWARDS AND RECOGNITIONS

Each month we recognize an employee who goes above and beyond their normal duties and offers excellent service to our customers. The Employee of the Month receives a certificate of recognition, has their name placed on a recognition plaque, and may dress casual during their month of recognition.

It gives me great pleasure to announce Ali Salami as Employee of the Month for June.

Since joining our department, Ali has become a valuable asset to our Finance Unit. Ali is knowledgeable, dedicated, well-organized, and highly efficient when it comes to completing tasks that require timeliness and accuracy.

One of Ali's primary duties includes managing our department's house charge accounts. With a strong understanding of our department's electronic payment policy, Ali is quick to respond to all client inquiries and actively monitors for any clients that fail to meet their obligations under the policy. Ali shows great communication skills and professionalism when working with clients to resolve pending issues and get their accounts back in compliance. Many of Ali's responsibilities are time-sensitive such as accurately recording and processing payments as well as preparing reports. His supervisors appreciate how Ali takes pride in his daily work and can always be counted on to get things done on time.

In addition to his outstanding job performance, Ali's approachability and positive demeanor make him a pleasure to work with.

Ali's positive contributions to our department are appreciated by all. We are thankful to have him on our team.

Please join me in congratulating Ali on this achievement!

I cannot thank the people at Old Orange County Courthouse enough for such an amazing experience. I live in Carlsbad and was in a tight situation where I needed a passport appointment. Everything in San Diego is appointment only and didn't have anything for months. We drove up to Santa Ana and were crossing our fingers that the walk-in wouldn't be too stressful. To my surprise, we were called within 5 minutes and the whole thing was super seamless and everyone was so nice and helpful. They took my daughters passport photo and walked us through the process and got us the sealed envelope to send off for an expedited passport. THANK YOU for your kindness and for making this experience much easier than I was anticipating. I wish I remember the woman helping us because she was so attentive and nice. I highly recommend going here for a passport or marriage license!!

We had the most perfect elopement here and I would recommend it to anyone in SoCal (we drove here from LA after seeing the Beverly Hills courthouse looked more like a DMV than a place to celebrate a marriage) !! If you're looking for a great place for a civil ceremony, this is it. We had a photographer come and just one guest/witness but I believe you can bring quite a few people if you wanted. The photos turned out beautifully and it was fairly empty so we didn't have to worry about anyone in the background of our pictures. The building is historic and beautiful and the staff were SO kind and friendly. It was really special and memorable for us.
