在二月份:

我的團隊和我於2月27日參加了在Stanton（斯坦頓市）舉辦的長者防詐騙講座，幫助社區，特別是年長者，獲取防範房地產詐騙的重要知識。

我也向大家介紹了本部門在保障房產所有權方面的努力。自2007年以來，我們推出了房產詐騙預防通知服務，這是一項免費服務，當有任何影響房產所有權的文件被登記時，房主將自動收到通知，無需額外註冊。

我們與橙縣地方檢察官辦公室緊密合作，共同打擊房地產詐騙，保護房主免受欺詐行為的侵害。透過與執法機構及社區領袖的合作，我們努力讓民眾獲得最新資訊並確保安全。

特別感謝橙縣監察委員會主席Doug Chaffee（道格□夏菲）、Stanton（斯坦頓市）政府、橙縣警長辦公室、南加州老齡委員會，以及美國郵政檢查局共同籌辦這場重要的活動。

我們很榮幸能夠參與這項保護社區的計畫。感謝所有來到縣書記暨記錄官攤位的民眾，與大家交流是我們的榮幸！

以下評論是透過我們的 Access OC 提交系統由一位顧客提供的。感謝我出色的團隊不遺餘力地向公眾宣導我們的防詐騙計畫，確保社區獲得資訊並受到保護。

上個月，我提交了一個問題，詢問縣政府是否有計畫在房產所有權變更或其他相關資訊更新時通知房主。僅僅幾天內，我便收到了一份非常詳盡的回覆，告知我確實有這項計畫，且無需申請，縣政府會自動通知房主。我對回應的速度與詳細程度感到印象深刻。

我將您的回覆分享到 Yorba Linda Buzz 和 Placentia Buzz 社群頁面，獲得了數百個點讚，許多人感謝我分享這項資訊。我和大家都對縣政府擁有這樣一項主動通知的計畫感到驚喜且十分讚賞。

非常感謝您迅速且詳盡的回覆，以及對房產所有者的保護。

我們位於Santa Ana（聖塔安那市）的總辦公室收到以下評價。我衷心感謝我的團隊提供高效的客戶服務。

ANOTHER APPEAL FOR REGISTRATION

Last Tuesday an election was held in San Clemente for the purpose of incorporation and election of city officers. Many of the residents of the Village were disfranchised from voting because they had not registered, although every effort had been made to have them do so.

There will be another election held on the 10th of April—a general election—and every resident of the town who has not done so should see to it that his or her name appears in the Great Register. Don't wait for some one to come around and beg you to do your American duty, but go to the office of Hal Warner and do it without solicitation. The Village will need your voting support from now on, so register and be ready to give it when needed.

VOTERS GIVE INCORPORATION MEASURE SWEEPING VICTORY; CITY OFFICIALS ARE ELECTED

At the first election held in the city of San Clemente on February 21, the citizens of the community expressed themselves almost unanimously as being in favor of incorporation, the measure carrying with hardly a dissenting vote, and in addition five trustees, a city treasurer and city clerk were elected. Trustees elected were Ole Hanson, Jr., Oscar F. Easley, Thomas Murphine, Earl Von Bonhorst and Roy Strang. Harry H. Cavin was elected city treasurer and William J. Barry city clerk. None of the candidates was opposed for election and there were no measures on the ballot except that for incorp-

CHAIRS FOR AUDITORIUM

The new theatre chairs which have been purchased for the auditorium of the school house will be shipped to San Clemente sometime next week, according to J. H. Caskey, president of the chamber of commerce, and will be installed as soon as they are received. There are 246 chairs in the lot, of which 100 are new upholstered folding theatre chairs, and the remainder are wood veneer. The chairs will be mounted on stringers, in tiers of six each, and by using this method they may be moved as often as desired, and the floor of the auditorium cleared for dancing. The procurement of these chairs was made possible through the San Clemente Chamber of Commerce and Mr. Ole Hanson, as well as the benefit performance which was given recently to raise money toward the purchase of suitable chairs for the auditorium.

New Home Bought by Murphine, Jr.

Mr. and Mrs Thomas F. Murphine Jr. have purchased the improved property on Avenido Cabrillo near the club house, formerly owned by Mrs. Ole Hanson and moved into their new home Wednesday. The property has a frontage of sixty feet on Avenida Cabrillo, and is improved with a five room Spanish bungalow, lawns, trees and shrubbery.

As Mr. Hanson's new home on the ocean front is almost completed and ready for occupancy, Mr. Murphine was able to acquire this property which has served as the Hanson home for about a year.

Mr. Murphine is connected with the firm of Huteson and Murphine and was one of the first residents of the Spanish Village.

Big Attendance at Men's Club

A large crowd attended the regular meeting of the San Clemente Men's Club at the clubhouse on Tuesday night. An entertainment program was presented by Bob Gore and Chris C. Osler. Gore, who is always a favorite, sang several new songs and Mr. Osler, an accomplished violinist made his premier appearances before the club. The secretary reported that the boxing mat had been ordered and would doubtless arrive before the next meeting. It is the consensus of opinion that the Men's Club is one of the most valuable civic adjuncts of the Village, as it offers an opportunity for the business men of the city to become better acquainted, and promotes closer harmony and co-

Tacoma Man Is Erecting Home

A. N. Southwell, formerly of Tacoma, Washington, has come to San Clemente to make his home and is erecting a home on Avenida Granada, which he expects to occupy shortly. Mr. Southwell is a well known contractor of the northern city and will engage in the general contracting business in San Clemente. He has two sons living in Tacoma and two in New York, one of whom is

SOUNDINGS FOR NEW PIER BEING MADE BY U. S. COAST AND GEODETIC SURVEY; WILL START ACTUAL CONSTRUCTION WORK VERY SOON

Construction Work to Start When Preliminary Survey Is Completed. 1200 Foot Pier Will Be Welcomed By Fishermen and Yachtsmen.

With the arrival of a United States Coast and Geodetic Survey vessel off San Clemente on Wednesday, preliminary work has been started on the fishing pier which will be a gift to the city from its founder, Mr. Ole Hanson. The crew of this vessel are engaged in making soundings, to determine the most suitable and practical place to construct the pier. The preliminary survey indicates that the logical place for the pier will be at the foot of Avenida Del Mar, near the underhead crossing to the beach, but this location has not been definitely determined by the survey officials.

Actual construction work cannot be started until the federal government has given its permission and determined the exact location of the pier, as no pier can be built anywhere in the United States without the supervision and authority of the government.

1200 Foot Pier

Present plans contemplate the construction of a pier approximately 1,200 feet in length, which will cost in the neighborhood of $130,000. The pier will be constructed in such a manner that if practicable in the years to come, a breakwater can be constructed from the end of the pier over to the Seal Rocks, making a shelter and anchorage for small boats.

Asset to City

This fishing pier will be one of the greatest assets to the city and will doubtless attract many visitors as well as bona seekers who would not otherwise come to the Spanish Village. Disciples of Ike Walton will find excellent fishing off this pier and it will also afford much pleasure to swimmers and yachtsmen. The city of Oceanside has recently completed its municipal pier, and it is proving one of the greatest attractions of the city. It is expected that the Coast and Geodetic Survey will finish its part of the work within a few days, and as soon as this work is completed and reports submitted, actual construction work will start on San Clemente's new pier.

Hanson Says G. Washington Was Real Estate Man

Tells Santa Ana Kiwanis Club of Early Land Deals

In a Washington's birthday address before the Kiwanis Club of Santa Ana, Ole Hanson, founder of San Clemente told his audience that George Washington was the first real estate man in the United States. His address was interesting and revealed many activities of the Father of his country which are not generally known.

At the age of sixteen, Washington was persuaded by his mother to give up a life at sea, and he devoted all his time for the following two years to study. When still in his teens, he went from his home to Mt. Vernon, to spend the winter with his half brother Lawrence, who was also his guardian, and it was here that he made the acquaintance of Lord Thomas Fairfax, who lived on a neighboring plantation. Lord Fairfax was immediately impressed with the young Washington, and their friendship ripened. In the spring, Washington was sent by Lord Fairfax to survey his great land holdings beyond the Blue Ridge Mountains and this was the beginning of his activity in land dealings.

Mr. Hanson has made an exhaustive study of the life of Washington, as well as other American pioneers, and his speech was replete with interesting details of the life of the first president.

Attend Masonic Meeting in L. A.

J. H. Caskey, H. Warner, H. King and W. S. Gibson drove to Los Angeles on Thursday evening to attend a meeting of the Masonic lodge and to brush up on degree work. These prominent Masons of the Spanish Village have been giving a large amount of their time to lodge work for the past few weeks, in preparation for the installation of the San Clemente lodge. The lodge will be organized in San Clemente in the near future, and several residents of the Village have been attending meetings of various lodges

Vice Consul for Sweden a Visitor

Mr. Eric Brattstrom, vice consul for Sweden living at Seattle, accompanied by his wife, were being shown around the Spanish Village on Tuesday by their very close friend F. S. S. Hallberg.

Mr. and Mrs. Brattstrom paid their first visit to San Clemente about a year and a half ago when there was nothing here but scenery and atmosphere, and their present visit is an eye-opener to them both.

These good people have lived in Seattle for twenty years, and while they are in love with the country up there they say they are glad to get down to California every so often and dry out after the winter rains.
